

22569VIC Certificate II in

PLUMBING PRE - APPRENTICESHIP

To provide students with an introduction into the industry and start you on your way to a pre-apprenticeship. You will learn basic welding and sheet metal skills, as well as gain knowledge about the broad range of areas that plumbers can specialise in, including roofing and gasfitting.

Units are subject to change based on training package and or VCCA updates. Course details will be confirmed prior to the start of the 2027 academic year.
