**PROVIDING QUALITY
VOCATIONAL PROGRAMS
FOR THE STUDENTS
OF MELTON**

WESTERN EDGE CLUSTER

The Western Edge VET Cluster arrangement is founded on a spirit of co-operation and with the purpose of providing a wider breadth of learning opportunities for students.

The Western Edge Cluster comprises of the following schools:

- **BACCHUS MARSH COLLEGE**
- **KURUNJANG SECONDARY COLLEGE**
- **LAKEVIEW SENIOR COLLEGE**
- **MELTON CHRISTIAN COLLEGE**
- **MELTON SECONDARY COLLEGE**
- **MELTON SPECIALIST SCHOOL**
- **SPRINGSIDE WEST SECONDARY COLLEGE**
- **STAUGHTON COLLEGE**
- **ST FRANCIS CATHOLIC COLLEGE**

Students participation in a VET program at a school, other than the student's home school, is a privilege and reliant on students being good ambassadors for their home school.

Should circumstances bring into question the commitment, co-operation and level of achievement of a student, the student's ongoing enrolment in the VET subject shall be reviewed.

WHAT IS VET?

Vocational Education and Training (VET) refers to enhanced senior school studies, which enable a secondary student to combine their VCE or VCE-VM studies with vocational training.

FEATURES OF VET

- VET is usually a two-year program combining VCE / VCE-VM studies with accredited vocational education and training.
- It enables students to complete a nationally recognised vocational qualification (eg. Certificate II in Screen Media) and the Victorian Certificate of Education (VCE) or Victorian Certificate of Education – Vocational Major (VCE-VM) at the same time.
- VET allows students to go directly into employment or receive credit towards further study.
- Important Industry Specific Skills and workplace skills are learnt through the VET program.

HOW DOES VET WORK?

A VET in Schools program is usually made up of VCE VET units which are delivered by registered training organisations, the students' school or another school within the Western Edge Cluster.

STRUCTURED WORKPLACE LEARNING (SWL)

Students undertake work with an employer that enables the student to demonstrate their

acquired skills and knowledge in an industry setting. During the Structured Workplace Learning, a student will have specific tasks to undertake in order to demonstrate competence. Students will be regularly monitored and may be assessed on the job.

CONTRIBUTION TO THE VCE

- All VCE VET programs contribute to VCE Units that provide credit towards the VCE in the same way as a VCE study.
- Most VCE VET programs can provide credit for VCE Units 1 to 4. A small number of shorter qualifications can provide credit for VCE Units 1 and 2 only.
- Some VCE VET programs are scored and some VCE VET programs are unscored.
- VCE VET programs with a Units 3 and 4 sequence can be included in the calculation of your ATAR.
- Scored VCE VET programs give you a study score for the Units 3 and 4 sequence that is achieved through school-assessed coursework and an externally set examination.
- Scored VCE VET programs provide a study score that contributes directly to your ATAR, either as one of your primary four studies or as a fifth or sixth study increment.
- Unscored VCE VET programs do not give you a study score but they can still contribute to your VCE.
- When you receive a Units 3 and 4 sequence towards your VCE from an unscored VET program, they may contribute towards the calculation of your ATAR by VTAC.

CONTRIBUTION TO THE VCE VOCATIONAL MAJOR

A program will contribute to the 180 hours requirement of the VCE-VM.

Articulate

Simple way of connecting one level of training with another higher level.

Auspiced by

Course delivered by a school but overseen by a Registered Training Organisation.

Competency

A distinct work performance specified in terms of what should be done and the standard to which it must be performed, as required by industry.

Module

A unit of study in a VET course.

Nationally accredited

A qualification which is valid and recognised throughout Australia.

Pathways

Ways to develop a person's career opportunities.

RTO

Registered Training Organisation (RTO). RTOs meet the legislative requirements and registration processes, which allow them to deliver nationally recognised vocational education and training. They include TAFE institutes, private training providers, enterprises and schools. Only an RTO can issue a VET qualification.

Stream

A theme of study made up of several modules of a VET course.

Structured Workplace Learning

Workplace learning that is undertaken as part of an accredited vocational training program such as VCE-VM or VET.

Vocation

Is a chosen field of work or career.

THE VET ADVANTAGE

VET INCREASES STUDENTS' LEARNING POTENTIAL

- Broadens VCE/VCE-VM options.
- Develops the student's capacity to make decisions and solve problems.
- Helps students to gain confidence and improve communication and interpersonal skills through learning in an adult environment.
- Matches student interest and career directions through the provision of strong pathways.
- VET can be taken as a Unit 3&4 VCE subject (provided it does not clash with your timetable).

VET GIVES NATIONAL QUALIFICATIONS AND SKILLS

- Upon successful completion of the program, students are awarded a nationally accredited vocational training certificate.
- VET qualification articulates directly into further education and training at TAFE, e.g., Cert II in Engineering Studies provides students with a pre-apprenticeship in this industry area.
- VET provides access to a range of different technologies related to the workplace.

VET PREPARES STUDENTS FOR THE WORKFORCE

- Expands post school opportunities.
- Provides the opportunity to trial a career. Helps students explore possible areas of interest, which promote further study and work choices.
- Allows students to develop strong links with industry and local community employers. Students may be offered part time or casual work.
- Improves employment prospects.
- Helps students gain knowledge of employer's expectations and real working conditions.
- Develops student's capacity for co-operation, teamwork and leadership skill development.
- Assists the transition from school to work.

VET COURSE REQUIREMENTS

Students enrolling in a VET program will be required to enrol via the VET portal. It is important that parents and students take time to read the course requirements and student responsibilities before enrolling.

TRAVEL

Students are expected to make their own travel arrangements to and from VET venues.

ATTENDANCE

■ Attendance is critical as practical content may not be delivered again. Non-attendance equates to a week missed. All absences are reported back to the home school. VET requires 90% attendance; failure to meet this requirement will mean no result as well as no certificate.

■ All students are expected to arrive on time to class. Students who arrive late will be marked as 'late' on the portal.

WORK PLACEMENTS

■ The time and arrangements for structured workplace learning will vary for each program, see your VET Coordinator for more information.

■ Travel to and from work placements is the responsibility of each student.

■ Students are encouraged to find their own work placements.

■ SWL helps students develop the vocational skills and knowledge learnt in their VET class with an employer in a real working environment.

The SWL portal is a state-wide FREE website that assists VET students find quality SWL employers. These SWL opportunities are available for VET students who are prepared to work and develop their understanding of the workplace. Opportunities can be for one-day-a-week or a week(s) block during school term or school holidays. The SWL portal will have a range of SWL opportunities which meet your study needs.

Go to www.workplacements.education.vic.gov.au to search for an appropriate employer for your SWL hours. Check that you can actually travel to the employer's place of business and that the available dates match your SWL needs. If the opportunity is suitable, remember to SHARE the SWL Opportunity with your teacher who will assist you with your SWL Arrangement Form.

DELIVERY OF VET PROGRAMS

Every effort is made to deliver the 2nd year of a course; however if numbers do not reach the minimum class size there is no guarantee the program will run.

UNIFORM

Students in the cluster are required to attend VET classes in their WEC VET Uniform. If a course does not have a uniform the student MUST attend in their School Uniform.

STUDENT BEHAVIOUR

Students will abide by the trainer's rules and the rules of the Delivery School whenever they are on the site. This includes meeting Occupational Health and Safety Requirements in and out of the classroom. Attitude and behaviour are to be of the expected standard and comply with the VET Student Contract.

USI NUMBER

Students must have a USI Number. Certificates and Statements cannot be issued without one. To create a USI Number logon to <http://www.usi.gov.au/create-your-USI/Pages/default.aspx>

ENROLLING IN UNITS 3 & 4

It is highly recommended that students complete Units 1 & 2 before enrolling in Units 3 & 4. A Certificate cannot be completed without completing units 1-4. Some certificates are partial completions. Refer to individual courses for more information.

FAILURE TO ABIDE BY THE ABOVE COMMITMENTS MAY RESULT IN STUDENT WITHDRAWAL FROM THE PROGRAM.

WEC VET STUDENT BEHAVIOUR GUIDELINES

The Western Edge Cluster has a “Duty of Care” to create a positive and safe learning environment for all of our students

All learning environments will not tolerate:

1. Arriving late, being disruptive or unsafe behaviour in the classroom or workshop.
2. Leaving the delivery school grounds or loitering on school grounds outside of VET hours.
3. NOT following specific school or class rules.
4. NOT wearing WEC VET uniform or relevant OHS attire during class and travelling to and from VET classes.
5. Electronic devices are not to be used without the permission of the teacher/trainer.

REMINDER: THERE IS A ZERO TOLERANCE FOR VIOLENCE INSIDE AND OUTSIDE SCHOOL GROUNDS. BEHAVIOUR OF THIS NATURE WILL RESULT IN THE STUDENT BEING REMOVED FROM CLASS, FOLLOWED BY FURTHER DISCIPLINARY MEASURES.

If you fail to follow instructions and/or continue to be disruptive in class there will be three formal warnings as outlined below.

1 Your teacher/instructor will inform you that he/she will be contacting your Home School VET Coordinator about the incident(s) by submitting an “Incident Report”. The Home School VET Coordinator will contact or send the “Incident Report” to your Parent/Guardian.

On the day of the incident, you may be asked to return to your Home School. You must make a time to meet with your Home School VET Coordinator to discuss the incident. You may be allowed to return to class the following week, with your commitment to follow instruction and focus on your work.

2 If there is a second incident, a second “Incident Report” will be sent to your Home School VET Coordinator and Parent/Guardian.

A formal meeting with relevant parties may occur, including the VET Teacher, Home School Coordinator and/or Delivery School VET Coordinator to discuss your future in the VET program before you are allowed to return to class.

3 If there is a third incident, a third “Incident Report” will be sent to your Home School VET Coordinator and Parent/Guardian.

There will be a formal meeting with your Parent/Guardian, VET Coordinators and Teacher/Trainer to discuss alternate pathways. You will NOT be allowed to return to class unless you can demonstrate that you are committed to making significant changes to your behaviour and attitude at this meeting.

THIS IS A FINAL WARNING AND FAILURE TO IMPROVE WILL REQUIRE YOU TO WITHDRAW FROM YOUR VET CERTIFICATE.

This handbook has been produced by Western Edge Cluster. We would like to thank the Principals of all the participating schools for their willingness to support VET programs between schools and the VET/VCE-VM Coordinators who have provided this valuable information.

A special thanks to Future Connect for supporting students' SWL placements and for the printing of the handbook.
