

# VCE VET PLUMBING

## CERTIFICATE II IN PLUMBING PRE-APPRENTICESHIP 22304VIC

The Plumbing pre-apprenticeship course is offered to WEC students through Apprenticeships Groups Australia (AGA). The course is delivered at the AGA training facility in Deer Park. RTO Apprenticeships Groups Australia (3829).

The Certificate II in Plumbing Pre-apprenticeship course provides students with an introduction into the industry with direct pathways into an apprenticeship or traineeship at Certificate III level where they can specialize in areas such as roofing and gasfitting.

This pre-apprenticeship course consists of 19 compulsory units of competency that provide skills and knowledge in workplace safety practices onsite, workplace communication, carrying out measurements and calculations, reading and producing technical drawings, applying basic sheet metal practices, using various welding equipment, and using plumbing tools and resources.

Students completing the program may receive credit up to three VCE VET units at Units 1 and 2 level and a Units 3 and 4 sequence. Students undertaking VCAL receive credit in the Industry Specific Skills Strand.
