

VCE VET AUTOMOTIVE

CERTIFICATE II IN AUTOMOTIVE VOCATIONAL PREPARATION AUR20716

The Western Edge Cluster offers the VCE VET Automotive program at Kurunjang Secondary College. The course is delivered by Educational Living Pty Ltd (RTO 3784).

The VCE VET Automotive program is a work ready pre-employment course designed to meet the needs of students wishing to pursue a career in the automotive industry through study pathway options, such as an apprenticeship or further education.

The course is designed to develop basic skills and knowledge required to perform minor maintenance and repair of an automotive vehicle body. This qualification reflects the role of individuals who perform a limited range of tasks relating to identifying and inspecting mechanical and electrical components and systems of light motor vehicles and may include outdoor power equipment, bicycles, marine craft and motorcycles.

Students who complete the Certificate II in Automotive Vocational Preparation AUR20716 provides credit towards the VCE and VCAL. Credit towards the VCE: two units at Units 1 and 2, and two at Units 3 and 4 with an increment towards the ATAR (10% of the average of the primary four scaled studies). Students undertaking a VCAL will receive credit in Industry Specific Skills Strand.
